# WIC must receive a new FAF from participants' healthcare provider to issue these products:

These products do not have a deadline to issue to participants at this time.

## Alimentum:

- Nutramigen
- Gerber Extensive HA
- Pregestimil
- Parent's Choice Hypoallergenic
- Signature Care Hypoallergenic
- Tippy Toes Hypoallergenic

## Elecare:

- Neocate Infant
- Neocate Syneo Infant
- Alfamino Infant
- Puramino

## Elecare Jr.:

- Neocate Junior
- Neocate Splash
- Puramino Junior
- Alfamino Junior

Check out the new FAF including options for hypoallergenic and amino-acid based infant formulas!

**WIC may accept a FAF written out for more than one kind of formula.**

This allows WIC staff to make food package changes that allow participants to purchase the type of appropriate and authorized formula they can find on the shelves - without the need for a new FAF each time.
