

PHILAKIDS MLP | PHILADELPHIA
A PARTNERSHIP BETWEEN LEGAL CLINIC FOR THE DISABLED
& ST. CHRISTOPHER'S HOSPITAL FOR CHILDREN

- The PhilaKids Medical Legal Partnership (MLP) places one staff attorney from the Legal Clinic for the Disabled at St. Christopher's Hospital for Children's Center for the Urban Child (CUC) each day to address the unmet legal needs and social determinants of health that negatively impact patient health.
- The MLP actively screens CUC families in the Resident run practice and to date, the MLP has collected 11,813 legal needs assessments from families and found 46 % have self reported at least one unmet legal need.
- The most common legal needs self-reported by the community have been a need for Food Insecurity Worry (1416), Health Insurance (1383), Food Insecurity (1231) and Public Benefits (1044).

- Legal Clinic Attorneys have provided services to over 2,800 families and opened 1055 cases for direct representation in a range of matters including divorce, custody, child support, evictions, land lord tenant disputes, public benefits, children's SSI, special education and advanced planning for children with special healthcare needs transitioning to adulthood.
- Since Spring of 2012, the MLP has trained 76 pediatric residents at St. Christopher's Hospital for Children on how to address legal issues impacting their patients health. Training has led to more consistent referrals and incorporation of the MLP model into resident run clinic.
