

HEALTH INSURANCE OPTIONS FOR ADULTS

DETERMINING WHICH PLAN IS RIGHT FOR YOU:

Step 1: Which plan do I qualify for based on my household income?

Household Size	Yearly Household Income	Insurance Plan
1	Below \$16,643	Medicaid
2	Below \$22,411	Medicaid
3	Below \$28,180	Medicaid
4	Below \$33,948	Medicaid
Household Size	Yearly Household Income	Insurance Plan
1	\$16,643 - \$29,700	Healthcare Marketplace (Obamacare)
2	\$22,411 - \$40,050	Healthcare Marketplace (Obamacare)
3	\$28,180 - \$50,400	Healthcare Marketplace (Obamacare)
4	\$33,948 - \$60,750	Healthcare Marketplace (Obamacare)

Step 2: Do I qualify for an insurance plan based on my citizenship or immigration status?

Medicaid: Only US citizens or “qualified” immigrants may apply (you must have documented legal status AND most adults will not qualify until you have had that legal status for five years)

Obamacare: Only US citizens or “qualified” immigrants may apply (you must have documented legal status in the US but there is no waiting period)

*If you do not qualify for health insurance, please see page 3 for a list of places where you can go regardless of your immigration status or health insurance.

NOTE: Each program may have additional requirements
