

# WISHES CAN COME TRUE!

Each wish we grant is unique!

We encourage each child to imagine their own special wish but traveling for a wish isn't the only option!

## Wishes to HAVE

Examples of wishes to have include shopping sprees (online or in-person), musical instruments, adaptive equipment, backyard playsets, hot tubs, room makeovers, pets, computers, and so much more!

## Wishes to BE

For wish kids that wonder what it's like to be a princess, superhero, doctor, construction worker or even a mermaid, a wish can allow them to step into their dream role!

## Wishes to MEET

A wish can provide the opportunity to meet a beloved character, celebrity, athlete, or performer! Depending on the celebrity's availability, in-person or virtual meetings may occur.

## Wishes to GIVE

Some children wish to give back to others, and we are happy to help! We have granted wishes to provide gifts to hospitalized children and to support other great causes!

Wishes to GO are also granted, while our most popular location is Walt Disney World, we grant wishes to many exciting destinations.
