## ABA Therapy

We have submitted a referral for ABA Therapy (Applied Behavior Analysis) for your child. This means your child will be placed on a waitlist with Community Behavioral Health (CBH). CBH will connect you with an agency that provides ABA Therapy when one becomes available.

If you would like an update on your status on the waitlist, please contact: **CBH Member Services - (215)-685-6440**

You can also reach out to an approved ABA agency directly. The attached packet includes a list of agencies who provide ABA Therapy to children and their families who are living in Philadelphia. You can call these agencies to request an intake or to be put on their waitlist directly. They may ask you for a "Written Order" from your doctor. We can provide that to you.

In the meantime, the below websites provide helpful information about ABA and other resources in the community:
