- **Vision services**

**1. Contact DCIU's Early Intervention Services (610) 938-2830 ext. 6502 or 6503. A secretary will record some basic information and ask you about your concerns about your child or [click here for online intake form](#).**

**2. You will receive a packet through email to complete so that Early Intervention**

**professionals can gather additional information about your family and child.**

**3. Professionals will review the results of your screening packet and recommend whether to schedule further assessments for your child.**

**4. Professionals review the results of any further assessments. They and you are part of a multidisciplinary team (MDT) which will identify your child's strengths and needs. You also participate in developing the Individual Education Plan (IEP) which outlines the services your child may be eligible to receive.**
